there is a scroll —
Box in the top right corner
so you can change the par.
there is a b linker in
the top left corner.
so you can get ready
for a turn.

in the bottom right corner
there is a sketch that
is for to see how fast
that you are going
in the bottom left we
have how I came in
you are. You select points

for secret + passcode ways
the game pauses when
you are close to a pass-
-e and have entered at
points to see if you
want to buy a secret
passcode for the game!
